

A Comfortable Place to Call Home

At White Oak, we've created a warm, welcoming environment where residents can feel comfortable, secure, and at home. Our thoughtfully designed community combines modern amenities with advanced safety features, including a sprinkler system and comprehensive smoke and fire protection, providing added peace of mind for residents and their families.

Residents enjoy delicious, well-balanced meals prepared daily by our culinary team under the guidance of a licensed dietitian, ensuring nutritious dining options that accommodate individual preferences and dietary needs.

Life at White Oak extends beyond exceptional healthcare. Residents can relax and socialize in inviting lounges and common areas, enjoy visits to our beauty salon, participate in engaging daily activities, or simply unwind in a comfortable setting. Our robust activities program offers a variety of social, recreational, educational, spiritual, and wellness opportunities designed to encourage independence, connection, and an enhanced quality of life.
